Lébo Skin Care Products

Lébo Skin Care Center carries a wide range of custom skin care products at very affordable prices. Lébo's complete line of cleansers, active ingredients, sunscreens, and moisturizers can improve the tone and texture of virtually any skin type. A trained Medical Esthetician can recommend a skin care regimen for Aging, Sensitive, Dry, Oily or Acne prone skin.

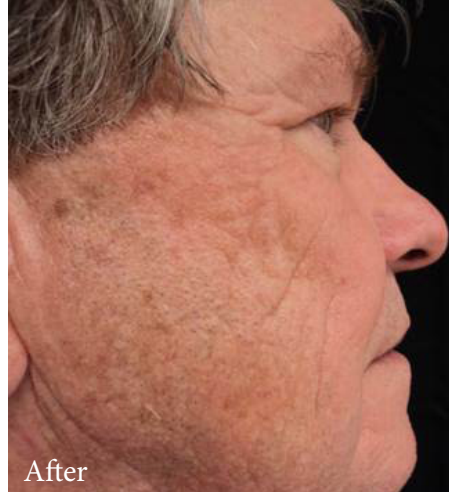

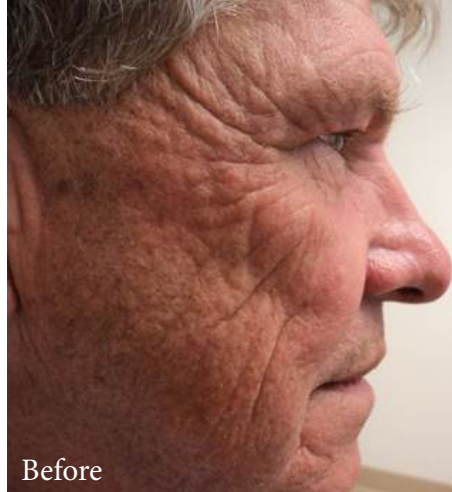

What are Lébo Skin Care Products?

They are medical grade products that contain higher levels of active ingredients to make a long term physical change on the skin.

What is the difference between Lébo products and over-the-counter products?

Our products contain a higher level of active ingredients than those found in over-the-counter products.

Lébo offers **FREE** skin care consultations with trained medical estheticians to ensure that the most effective products are recommended for your skin type. Call today for your free consultation!

"I have been using Lebo's skin care products for about a year now and I have definitely noticed a big change in my skin. It is much smoother and I feel like I have a "glow"! My favorite product is the warming green tea scrub. It makes my skin feel so soft and I love how it heats up! Thank you Lebo!"
